Countries

15h battery
usage nonstop

4G high-speed
internet

• STANDARD Edition

Solid stainless steel with red composite leather.

• No more running for Local SIM-Card

At power-on, the TARKAN Mobile WiFi router detects automatically the best supported GSM carrier of the country where you are located. It registers and provides mobile internet access to you at local cost, eliminating Roaming charges.

• Secure and Safe

TARKAN connects you without the need to use insecure hotspots.

• International Travelers

TARKAN Standard is perfectly suited to connect you, while you travel.
